I have contacted SPD and let them know we will not have any units to assist them tonight. I would like to see a better plan come together from SPD that addresses comms, report writing and officer safety among other things. I just wanted to make sure everyone was aware we responded no, in case you see emails requesting assistance for 30 officers again.

If you have feedback from people who worked the detail, please let me know but what I have heard so far is not an acceptable risk for our folks or our agency.

Thanks,  
Ian
